SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner of Patents  
Washington, D.C. 20231

Sir:

In accordance with the duty imposed by 37 CFR §1.56 to disclose to the Patent Office information coming to the attention of each individual associated with the filing or prosecution of the subject application which may be material to the patentability of any claim of the application, Applicants direct the Examiner's attention to the information listed on the attached Form 1449 (Modified). A copy of the items on the PTO-1449 (Modified) is supplied herewith.

This Information Disclosure Statement is filed before the mailing date of a first Office action on the merits. Should any fee be due, the U.S. Patent and Trademark Office is hereby authorized to charge Deposit Account No. 07-0630 to cover the cost of this Information Disclosure Statement.

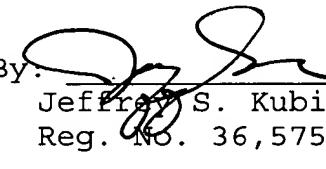

While the information and references disclosed in this Information Disclosure Statement may be "material" pursuant to 37 CFR §1.56, it is not intended to constitute an admission that any

patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

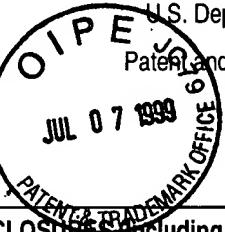

In accordance with 37 CFR §1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR §1.56(a) exists. It is submitted that the Information Disclosure Statement is in compliance with 37 CFR §1.98 and MPEP §609 and the Examiner is respectfully requested to consider the listed references.

Respectfully submitted,  
GENENTECH, INC.
